Sustaining members may make suggestions concerning the activities of GTO. They have the right to receive information about GTO's projects and use of funds. To this end they will receive periodical reports about GTO's work. The membership will automatically renew itself for the following year unless terminated in writing before the 30th of November. In Germany, the membership-fee is deductible from your annual tax payment. You will receive a donation receipt at the beginning of the following calendar year.

Privacy Statement

The protection of your data is an important concern of the GTO. The association collects personal data of its members using data processing systems to fulfil the purposes and tasks set out in the statutes. By becoming a member, members consent to the collection, processing (storage, modification) and use of their data. Any other use (e.g. data sale) is not permitted.

Within the framework of the statutory provisions of the Federal Data Protection Act, every member has the right:

1. to be informed about the personal data stored about her/him, its recipients and the purpose of storage

2. to rectification of its data in case of inaccuracy

3. to deletion or blocking of its data

Declaration

I confirm that I have read and understood the described information on data protection.
